**Before and after school care opportunities explained on the back of this page.**

All classes have a \$45 registration fee. When combined with a second class the registration fee will be \$70 for both classes. Instead of asking for families to provide supplies to the preschool we ask each family to pay a \$25 supply fee for each class. If your child is in two classes the supply fee will be \$40.

I understand that when my child is placed in a class, my registration fee will not be refunded. I agree to notify Community Preschool as soon as possible if my plans change. I also understand that due to enrollment numbers, classes may be combined or other class options will be made available. The first tuition payment and forms are due May 15, 2020 and that payment is also non-refundable.
