Due to the Coronavirus pandemic, we are not planning any large group family events such as programs. We will keep you informed if those types of events will be able to occur as the year progresses.

We follow District 206 school calendar as close as we are able for vacation days, however, we do not have 2 hour late starts during the school year when they do.

We follow the district's decision on snow delays or cancellations. However, due to the length of our school day, a two hour late start for the morning class results in NO SCHOOL for the morning class. If District 206 is closed, we are also closed. If they have an early dismissal due to weather, we will also have early pick up.

Community Preschool shares space with First Lutheran Church and is unable to make up snow days at the end of the year due to the use of the facility.
