Hello Preschool Families,

We are excited to get back to preschool this fall! We have spent time going through the classrooms and planning fun activities for this year.

Important information/dates to remember.

Parent/Child Orientation Conferences:

During this time, we will make sure that we have all the needed paperwork as well as walk the children through their arrival routine to preschool. There will be a parent information time at the beginning to briefly go over the Parent Handbook and answer questions. You can find the Parent Handbook on our website. Preschoolers will meet their teachers and see where their cubbies and mailboxes are located. They will also try out their carpet square and have time to explore the different learning areas throughout the room as they meet some of their classmates. Your child's assigned date and time was indicated on the checklist that was sent home this summer.

24 Children attend class as usual for their last day of school

Please Note:

Scheduled 2 hour late starts for District 206

We follow District 206 school calendar as close as we are able for vacation days, however, we do **not** have scheduled 2 hour late starts during the school year when they do. Preschool classes **will** run at normal scheduled times on 9/27, 2/7, 4/10.

Inclement Weather (Late starts/Snow days)

We follow the district's decision on snow delays or cancellations.

- a two hour late start for the morning class results in NO SCHOOL for the morning class.
- If District 206 is closed, we are also closed.
- If they have an early dismissal due to weather, we will also have early pick up.

Community Preschool shares space with First Lutheran Church and is unable to make up snow days at the end of the year.
